

Middle School Open House Curriculum Night
Monday 29 August 2016
Plan for the Evening

Instructions for night

- We do not recommend bringing your children. The primary purpose of this night is for parents to get an introduction to Middle School students' class curriculum. If children are brought, they need to **stay with their parents throughout the evening**. Note that if you must bring your children, **space in classrooms will probably be limited**, as the Middle School Open House is typically well attended.
- Park in the main lot between the primary and middle school buildings, or in the student parking lot south of the middle school building. The high school office lot is also available.
- Enter through the Middle Building (new building) lobby entrance.
- At 6:00 proceed to your child's 1st period classroom. Class rosters will be posted in the Middle Building lobby, but you can skip these lines by simply asking your child their 1st period class and where that room is.
- 1st period teachers will distribute copies of students' schedules to their parents.
- When the program begins, you will get a brief 10-minute presentation on the curriculum and structure of the 1st period class. You will then have a 6-minute passing period (same as the students) to go to the 2nd period class. The room in which each class takes place is noted on the schedule.
- You will follow your child's schedule, periods 1 though 8, with a 10-minute presentation from each.
- Remember that teachers only have 10 minutes to present, and there is only a 6-minute passing period, so you won't have time for substantial one-on-one conversations. Each teacher's room has a conference sign up sheet for those who would like to schedule such a talk.

Schedule

6:00	Parents go to child's 1st period class (class lists are posted in the lobby). 1st period teachers will distribute student course schedules to parents.
6:10	1st period teacher presentation
6:20-26	Passing period
