# This Friday, December 7th, from 5:00 - 7:00 pm

Come shop for friends, family, teachers and yourself at the Holiday Bazaar, where more than 50 booths of handmade crafts and treats will be open for business.

Each item for sale was made by a Meridian 7th grade student. The 7th graders used their talents to make items to sell to raise money for their class extended learning trip to Heifer Ranch International in Arkansas next fall.

Pause from your shopping spree to enjoy some pizza or salad!

Then, after you collect your treasures, stick around for movie - *The Polar Express*!
