

# All Ages Coloring Book Instructions

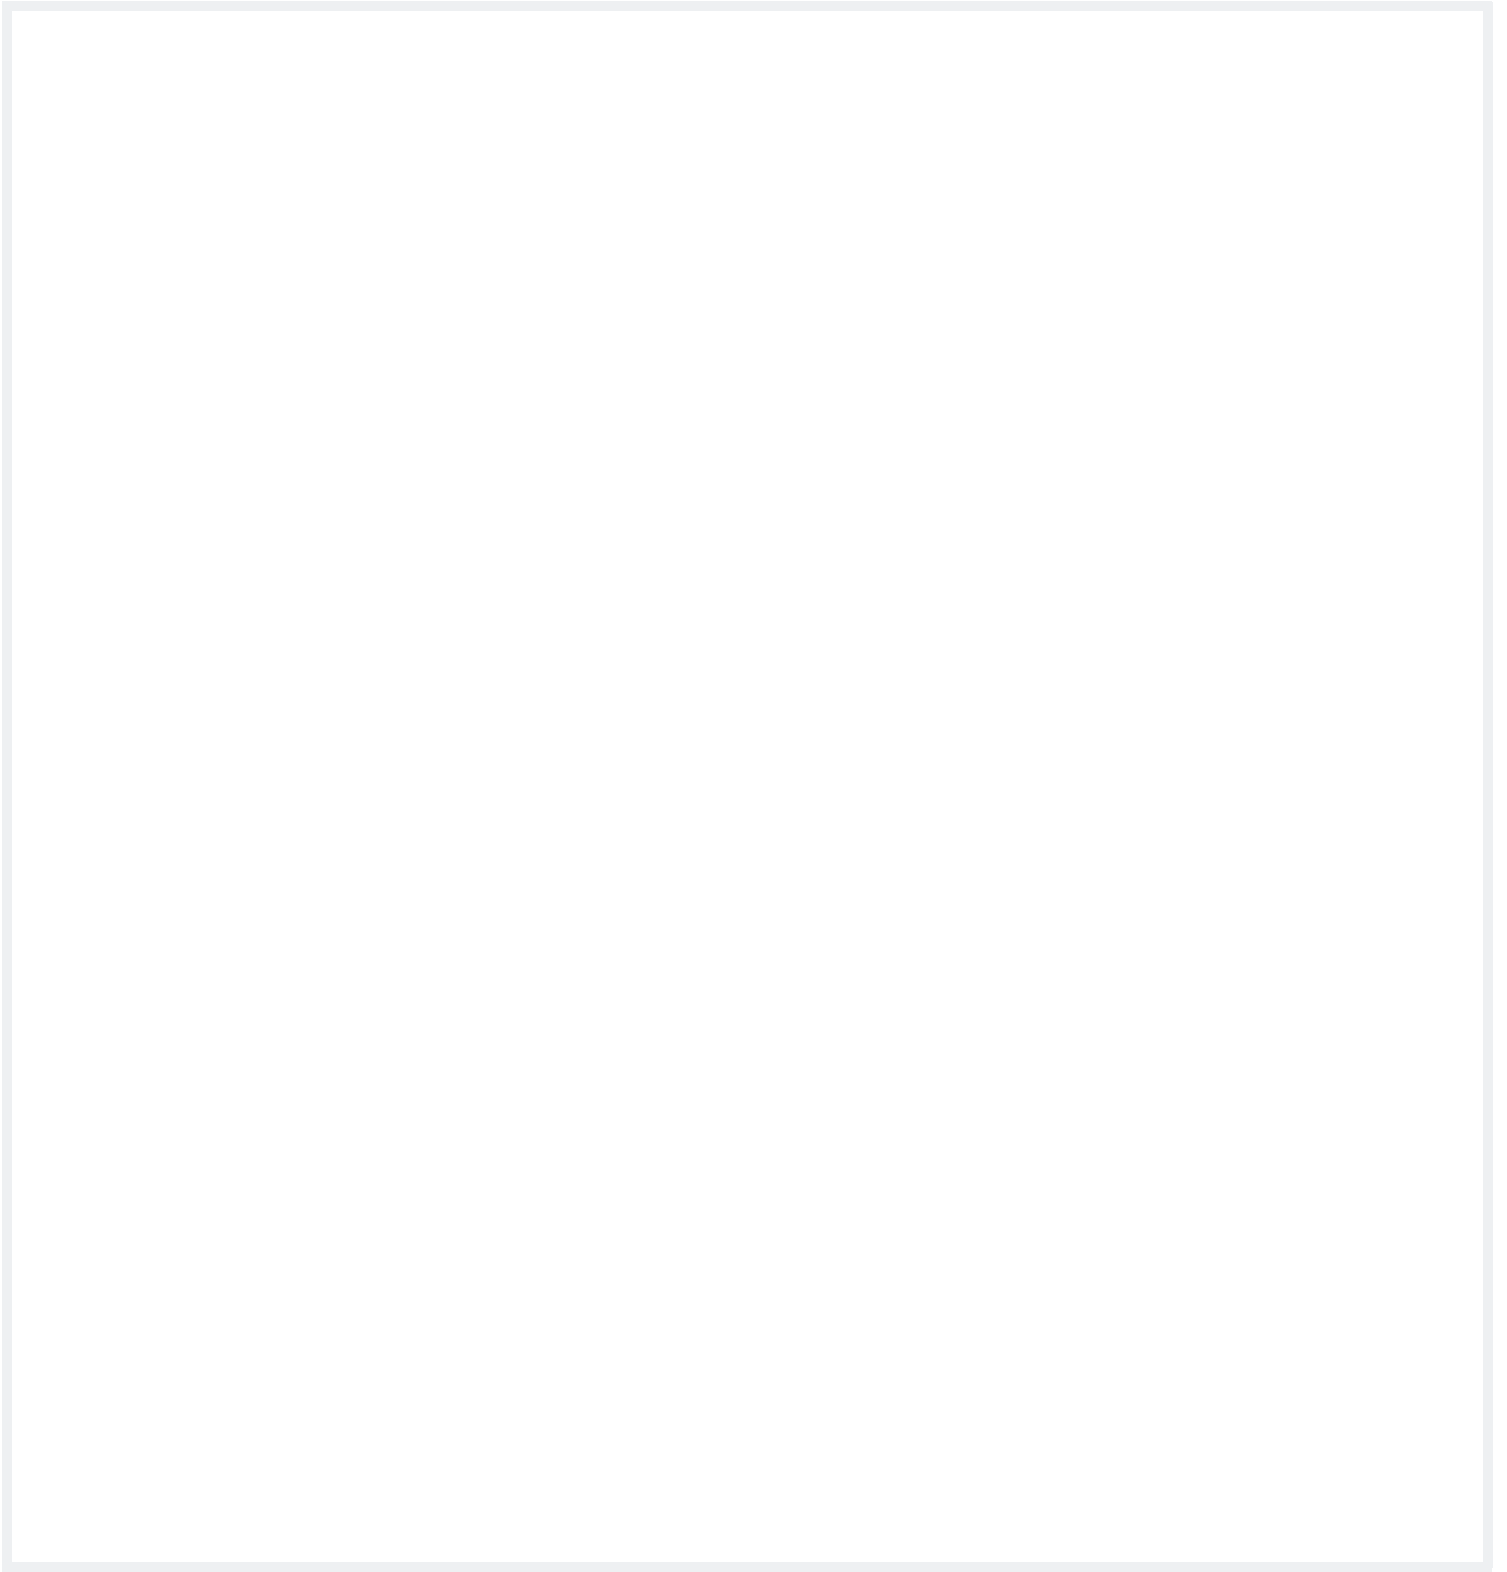

- Please print out the All Ages Coloring Book Page and drop off your design in a submission box (located in the lobbies) by Wednesday, March 27th.
- Please stay within the grey box.
- Do not use a fine tip. A heavier line will print better. (Please see the example below.)
- Please take care not to fold or crease your coloring page.
- Not all submissions may be printed.
- Please write your name and grade. All ages are welcome to enter, adults included!
- Have fun and we look forward to showing our community your creativity!
